Our New Academy

Opening Spring 2019 in Akron!

From the very moment that you step inside the BRAND NEW Samson Dubina Table Tennis Academy, you will notice a difference. We aren't trying to be just another full time club. We are a community of individuals and families that are passionate about giving each person a fun and unique experience – regardless if you are Sarah Jalli competing for another international title or average recreational Joe pinging around with his blue jeans and purple paddle.

During the last 11 years of social media marketing, we have been very optimistic in our approach. But the reality is, it isn't easy to grow the sport here in Akron, Ohio. That is why we desperately need your support. Your money will be used for more than just building the academy. Your money will be used to begin a new trend nationwide. Academies across the country are copying our marketing approach with social media promotions, tournament ideas, coaching techniques, and training camps. As we grow and expand, the entire country grows and expands.

We need to raise \$30,000 in startup money before the academy opens. This money will be used for the big ticket items of new lighting, rubberized flooring, pro shop, and office equipment. As a THANK YOU to our donors, we are offering some perks (see categories below).
